(This paper consists of 2 pages)

INSTRUCTIONS

Read the following instructions carefully before answering the questions.

1. Questions can be answered in any sequence.
2. Ensure that you clearly number your answers.
3. Submit the question paper.

QUESTION 1 **[Marks: 10]**

Each of the theories on learner behavior presented in class is based on certain philosophical assumptions that in turn affect the teacher's role.

Discuss how you will teach on the different schools of thought using ONE of the Behaviour Management theories. Your answer should reflect your understanding of the different schools of theories.

QUESTION 2 **[Marks: 10]**

"A positive learning environment is a physical and emotional environment that encourages learning."

As a Tourism teacher you want to foster this positive learning environment, while teaching a lesson. Your answer should reflect an understanding of any **FIVE** practical classroom management strategies.

QUESTION 3 **[Marks: 15]**

Discuss the **Jigsaw** method OR **De Bono's** six thinking hats that you have developed. Your answer should indicate how you will teach one of the topics and apply your content knowledge.

Choose ONE:

- Different kind of tourists
- Cultural groups
- Accommodation for tourists

QUESTION 4 **[Marks: 15]**

"Effective instruction must be integrated with assessment." Discuss the different assessment methods a Tourism teacher can incorporate as part of the continuous assessment of learners.
