QUESTION 1

In Appendix "A" you will find a question on Sports Clubs.

Complete the question. (25)

QUESTION 2

- 2.1 What is a "big idea"? (5)
- 2.2 What is concept-based instruction? (5)
- 2.3 Using any topic in the Grade 11 Accounting Caps document, design a lesson using "big ideas". Do not complete a lesson plan, instead write a detailed account of your integration of the "big ideas" concept into your lesson. Use the following questions to guide your discussion: What do you intend the learners to learn about this big idea? Why is it important for students to know this? What else do you know about this idea? What are the difficulties/limitations connected with teaching this idea? What are the specific teaching methods that can be

used to teach this big idea? What other factors will influence your teaching of this idea?
