

UNIVERSITY OF JOHANNESBURG

JUNE EXAMINATION 2014

COURSE: SOCIAL WORK 2A11

TIME: 3 HOURS

PAPER:

MARKS: 100

SECTION 1: GENERALIST SOCIAL WORK PRACTICE WITH INDIVIDUALS

SECTION 2: GENERALIST PRACTICE WITH GROUPS

SUBJECT CODE: MAW2A11 (1 & 2) / SCW2AA2

EXAMINERS: PROF AD VAN BREDA
MS L PETERSEN

THIS PAPER CONSISTS OF TWO (2) PAGES

THE PAPER HAS TWO SECTIONS

ANSWER EACH SECTION IN SEPARATE EXAMINATION BOOK

**SECTION 1: GENERALIST SOCIAL WORK PRACTICE WITH INDIVIDUALS -
PROF ADRIAN VAN BREDA**

QUESTION 1 (COMPULSORY)

Write an introduction to ONE social work practice model, giving critical attention to its underlying theory and practice implications.

Select your model from the following list:

1. Addiction counselling
2. Crisis intervention
3. Feminist social work
4. Grief counselling
5. Motivational interviewing
6. Narrative therapy
7. Person-centred approach
8. Psychoeducation
9. Solution-focused therapy
10. Structural family therapy

Do not select the same practice model that you did for your course assignment or a model that was covered in class or a model that is not on this list or, if you are repeating the course, a model that you did last year. If you do, a mark of 0 will be awarded.

Study and use the four prescribed readings for the model that you have selected. These readings should be sufficient to prepare the exam task.

COURSE: SOCIAL WORK 2A11

PAPER:

SECTION 1: GENERALIST PRACTICE WITH GROUPS

SECTION 2: GENERALIST SOCIAL WORK PRACTICE WITH INDIVIDUALS

QUESTION 1 (Continues)

Do NOT base your answer on an assignment written by another student. You must do your OWN work.

In your answer, give attention to the following topics:

- A brief (one paragraph) introduction to the essay (2)
 - An outline of the theory that underlies the model (10)
 - A detailed presentation on the practical application of the model (35)
 - Linking to the planned change process
 - Key techniques or skills or procedures
 - Use of examples from practice to illustrate
 - Conclusion, mentioning personal reflections about using this model in practice (3)
