(THIS PAPER CONSISTS OF ONE PAGE)

QUESTIONS 1 AND 3 ARE COMPULSORY. QUESTION 2 IS OPTIONAL WITH ONE CHOICE OUT OF TWO

**QUESTION 1 (Compulsory)**

Discuss and analyse the following:

(a) Since, the nationalist discourse had shaped economic and social policy thinking and practice in post-colonial Africa, ideology had also played a crucial role in determining the content and pace of social policy in certain countries.

(b) By the end of 2012/13, nearly 16.1 million people were beneficiaries of social grants, up from 2.5 million in 1998, when the programme was inception. [40]

**QUESTION 2 (Choice)**

Define and discuss the three dimensions of social policy. [30]

OR

**QUESTION 3 (Choice)**

According to Dye (1995) Public policy is defined as whatever governments choose to do or not to do. Discuss. [30]

**QUESTION 3 (Compulsory)**

Define Results-Based Monitoring and Evaluation (M&E). How does Results-Based M&E differ from the old and conventional Monitoring and Evaluation (M&E)?

[30]
