INSTRUCTIONS

Read the following instructions carefully and compile your research report as required.

RESEARCH PROJECT

You will be guided step-by-step as you conceptualise and conduct your study. The research project will count 100. Only the best tasks will earn a good mark and please note that marks are negotiable, but they are earned with hard, honest work. The research project will be handed in at the end of the year at the time that will appear on the examination time table. The time tables will indicate the venue. The procedures of the University will however be followed in handling such work. The date, time and venue of the portfolio submission are not negotiable.

TOTAL: 100
