**INSTRUCTIONS**

Read the following instructions carefully and compile your research report as required.

**RESEARCH PROJECT**

As indicated in the learning guide, you were guided step-by-step as you conceptualized and conducted your study. You are now required to compile your research report and submit it according to the time table that you have received. Please note that the report carries 100 marks. Only the best tasks will earn good marks and the marks are not negotiable. Please submit at the time set and in the venue that appears on the time table. Note also that University rules will be applied. The assessment grid for the research report appears on the next page.

**TOTAL: 100**
