2. Due date: See timetable

Identify an educational issue in relation to the 'born-free' generation and write a research proposal. The proposal should be organized according to the following headings:

- Title
- Background and problem statement (500 words)
- Rationale and aims (200 words)
- Methodology (500 words)
- Extended Literature review (2000 words)

The criteria for the assessment of proposals include:

Content – Topic clear, focused and study doable. Problem statement well-argued, convincing and the gap in literature clearly identified. Theory perspectives relevant, well presented and based on an extended literature review.

Form – academic writing clear and to the point – referencing and bibliography accurate and complete.
