(This paper consists of 2 pages)

INSTRUCTIONS

Summative Assessment Tasks.

1. Submit your research project as an electronic document in the BlackBoard environment using the submission link that was created for this purpose

2. The due date for the Assessment Tasks is 30 October 2015 at 23:59

Research Project

Submit the research report that you have been developing during the year. The following specifications apply:

- All sources should be explicitly cited and listed in a 'Bibliography' or 'List of References'

- Adhere to word-count prescriptions (8000 words excluding technical pages)

- The technical care of the report should be impeccable

- The research report will be assessed by using a rubric that specifies performance levels ranging from "No Performance" to "Excellent Performance" across the following dimensions:

  o Technical proficiency (20%)

  o Development of a sound rationale (20%)

- o Coherence between the constituent parts of the proposal (20%)
- o Literature review (20%)
- o Research Methodology and Data Analysis (20%)

(100)

TOTAL: 100
