-

SECTION A: FOREIGN POLICY IN AFRICA (MS W STRYDOM)

[50 marks]

ESSAY QUESTIONS: All questions are compulsory

1. Define and briefly discuss the rational choice model, as well as the history-making individuals' model, of decision-making in foreign policy. Use real world examples from Africa in your answer. (20)
2. Briefly explain the pan-Africanist solutions to the consequences of the Congo conference, as provided by Mazrui (2010). (15)
3. Explain Ubuntu, cultural unity and Afrocentric development, according to McDougal (2009). (15)

SECTION A: [50]

SECTION B: SOUTH AFRICAN FOREIGN POLICY

4. Discuss South Africa's foreign policy contribution in the African continent since 1994, with a specific focus on institution building and conflict resolution. (25)
5. South Africa frames the BRICS grouping as a counterweight to the Western-dominated world order, and sees it as offering a basis to build multipolarity. Critically assess South Africa's approach to the BRICS and geopolitics, especially in relation to the Western powers. (25)

SECTION B: [50]

Total [100]
