

**UNIVERSITY OF JOHANNESBURG**

**NOVEMBER EXAMINATION 2018**

**PAPER: SOCIAL POLICY AND PLANNING**

**MARKS: 100**

**TIME: 3 HOURS**

**SUBJECT CODE: SCW4DB4**

**EXAMINER: PROF. T. RANIGA**

**EXTERNAL EXAMINER: DR M MHLONGO**

**THIS PAPER HAS 3 QUESTIONS WHICH CARRY EQUAL MARKS.**

**ANSWER ANY TWO QUESTIONS**

### **QUESTION ONE**

Terreblanche, S (2008) argues that “there is growing recognition that South Africa faces grave challenges regarding capacity within the state in relation to social welfare delivery system”

Critically discuss with examples from practice

(50)

### **QUESTION TWO**

The Global Agenda for social work and social development commits social workers to supporting, influencing and enabling structures and systems which positively address the root causes of oppression and inequality (International Federation for Social Work et al. 2012:1).

Critically explain the four pillars of the Global Agenda and analyse the role that social workers can play in translating the Agenda into practice.

(50)

### **QUESTION THREE**

Critically explain the effectiveness of the “development state model” for post-apartheid social policy planning development and poverty alleviation in South Africa. In your answer pay attention to the following:

- a) the relevance of social policy to social work in the South African context.
- b) the roles that the civil society played in social policy development in South Africa
