Dr Cecilia Nedziwe

NUMBER OF PAGES 3 pages

INSTRUCTIONS THIS EXAM HAS TWO PARTS. PART 1 FOR TERM 1, AND PART 2 FOR TERM 2. USE DIFFERENT ANSWER BOOKLETS FOR EACH PART. IN EACH BOOKLET CLEARLY INDICATE WHICH SECTION AND WHICH QUESTIONS YOU ARE ANSWERING. BE SURE TO FILL IN THE SLIPS AT THE BACK OF EVERY BOOKLET USED.

PART 1: TERM 1 – DEVELOPMENT POLICY IN SOUTH AFRICA

SECTION A: Definitions (5 marks each)

Explain the meaning of any **FIVE (5)** of the following **EIGHT (8)** terms. In the answer book, clearly indicate the terms you are describing. **[5 x 5 = 25 marks]**

- | | |
|--|--|
| 1. Dualist view of the South African economy | 5. Integrated urban development planning |
| 2. Minerals energy complex | 6. Moral panic |
| 3. Water resource management | 7. Social movements |
| 4. Environmentalism of the poor | 8. Missing matriculants |

SECTION B: Essay question (25 marks)

Answer any **ONE (1)** of the **THREE (3)** following questions. Write any essay of 2-3 pages. In the answer book, clearly indicate the question you are addressing. **[25 marks]**

1. Describe a policy dilemma related to urbanisation in South Africa and its impacts. Explain its causes and critically discuss possible solutions.
2. What are the key challenges faced by advocates of social justice in South Africa today? Discuss with reference to the topic of gender equality.
3. How have struggle era dynamics shaped relations between civil society and the state in South Africa today? Explain using examples.

Total PART 1 = 50 MARKS

Section A: Definitions (5 marks each)

Explain the meaning of any **FIVE (5)** of the following **EIGHT (8)** terms. In the answer book, clearly indicate the terms you are describing. **[5 x 5 = 25 marks]**

- | | |
|--------------------------------|--|
| 1. World farm | 5. World systems analysis |
| 2. Colonial division of labour | 6. Food regime analysis |
| 3. Export monoculture | 7. Dependency analysis |
| 4. The development project | 8. Import substitution industrialisation |

SECTION B: Essay question (25 marks)

Answer any **ONE (1)** of the **THREE (3)** following questions. Write an essay of 2-3 pages. In the answer book, clearly indicate the question you are addressing. **[25 marks]**

1. Critically discuss the “Green Revolution” and its consequences. How has industrial farming displaced “peasant foods” and contributed to deep socio-economic inequalities?
2. Discuss the globalisation project and its relationship to structural adjustment programmes (SAPs) in general, and in specific African societies.
3. Critically discuss the “debt regime” and the debt management measures.

Total PART 2 = 50 MARKS
