INSTRUCTIONS:

1. Answer ALL THE QUESTIONS.
 2. Number your answers clearly
-

QUESTION 1 (30 MARKS)

One of the initiatives you as Facility manager of UJ Sport have embarked on is to add an additional astro hockey field next to the existing in Auckland Park. Explain how you will go about doing the planning. Take into consideration that you have to include the existing facilities into the plan. Make use of examples to explain the process.

QUESTION 2 (30 MARKS)

The Golden Lions Rugby Union requested you to help them with a human resources plan for Emirates Park. Debate what you will consider in order to compile and implement the plan.

QUESTION 3 (30 MARKS)

You are hosting as Event manager the derby between Kaizer Chiefs and Pirates at the FNB stadium in Soweto. Argue the elements for the preparation plan to host the event using examples to support your arguments.

QUESTION 4 (30 MARKS)

Risks are multiple when staging major sports events at large facilities. Explain, by using examples, how you would go about developing and implementing a security plan for a large sport facility.

QUESTION 5 (30 MARKS)

The sales of tickets for any event forms one of the core aspects of fund generation of a sport facility. Discuss this statement by arguing the components that are essential in box office management, by using examples to support your argument.
