Full name and Surname: _____ Student Number: _____

SECTION A

Answer the **compulsory** question below.

Based on the docu-series, 21UP, write a critical reflective essay on the contributions of Southern African Anthropologists to the study of childhoods and youth. In your essay, focus on at least four key themes from the course as well as your own independent life-history research.

TOTAL SECTION B: 50 MARKS

SECTION B

Answer **ONE** of the following questions. Your answer should be approximately four pages long. Write the number AND question as heading for your answer.

1. With reference to Antón 2012, critically discuss the evolution of anatomically modern humans
2. Critically discuss traits that could capture our unique 'humanness'

TOTAL SECTION B: 50 MARKS
