THERE ARE THREE PAGES IN THIS EXAM SET, INCLUDING THIS ONE
SECTION A: TERM 1 - Development Policy: Critique and Formulation

PART 1

Short essay answer (two to three paragraphs; 750-100 words):

Define and discuss **five** (5) of the following terms/concepts, **including citations of course material**. Use only course material. Be sure to show clearly **which** questions you are answering.

(5 x 5 MARKS = 25 MARKS)

- | | |
|---|---|
| 1. energy crisis | 5. intersectionality |
| 2. entropic citizenship | 6. Expropriation Without Compensation (EWC) |
| 3. hydropolitics | 7. manifesto for social change |
| 4. Integrated Urban Development Framework (IUDF 2016) | 8. land redistribution |

PART 2

Long Essay (1,500 words): Answer **one** of the following questions, **including citations of course material and credible sources**. Show clearly **which** question you are answering.

(1 x 25 MARKS = 25 MARKS)

1. What obstacles continue to face decision-makers in terms of water resource management, and how might they be resolved sustainably and equitably? Explain with examples.
2. Explain why past efforts to reform access to land in South Africa have not succeeded, and critically assess whether these challenges might be addressed through recent policy developments.
3. Explain the meaning of Mbeki and Mbeki's 'manifesto for social change', and outline its implications for the achievement of social justice in South Africa.

SECTION B: TERM 2 - Urban Development

PART 1

Short Essay Answer (three to five paragraphs; 75 – 100 words): Define **five** of the following terms/concepts, **including citations of course material**. Be sure to show clearly **which** questions you are answering.

(5 x 5 MARKS = 25 MARKS)

- | | |
|-------------------------|--------------------------|
| 1. "Gig economy" | 5. "The heavenly" |
| 2. "Network Centrality" | 6. Globalisation |
| 3. Precarity | 7. National Urban Policy |
| 4. Slums | 8. "North-South divide" |

PART 2

Long Essay (1,500 words): Answer **one** of the following questions, **including citations of course material and credible sources**. Show clearly **which** question you are answering.

(1 x 25 MARKS = 25 MARKS)

1. What are the global and local policy factors informing and shaping urban development?
2. Outline and discuss the urban development challenges associated with industrialisation and the modern city in the 'developing world'.
3. Will the future of work create better opportunities for women in South Africa? Answer with the aid of examples.
