

### Term 3 Philosophy 2B

- Is Descartes' argument in Meditation II for the claim that the mind is better known than the body convincing?

You must engage with Descartes' *Meditations* and use two commentaries on Descartes' *Meditations*.

**Commented [MZ1]:** Mark allocation? Also, perhaps a rubric of how you will mark the question might help students at this level (if the term essay was also marked according to a rubric).

**Commented [MV2R1]:** agreed
