- 

### **SECTION A: PROF C LANDSBERG (AFRICAN FOREIGN POLICY)**

***Answer ALL three questions***

#### **QUESTION 1**

McDougall (2009) contends that, as the continent's states and its premier integration bodies seek to craft a new-Pan-Africanism, African foreign policies should be based on three aspects: cultural and political unity; Afro-centric development; and the African conceptualisation of Ubuntu. Discuss (15)

#### **Question 2**

What constitutes the concept Foreign Policy Analysis (FPA)? Also explain the meanings and content of the following three foreign policy analysis approaches: (1) the traditional; (2) the cognitive approach; and (3) the bureaucratic approach. (15)

**Question 4**

Briefly and critically analyse the systemic level of analysis in foreign policy analysis (FPA) (5)

**Question 5**

Critically analyse the following three (3) goals pursued by states in foreign policy: (1) status and prestige; (2) world reorganisation or transformation; and (3) autonomy. (15)

---

**SECTION B: DR CA GEORGHIOU (FPA: CASE STUDIES)**

***Answer BOTH of the following two questions:***

**QUESTION 4**

Analyse South Africa's membership of the BRICS group in terms of its foreign policy objectives. What are the opportunities, challenges and prospects facing the country by being a member? (25)

**QUESTION 5**

Write an essay in which you discuss the diplomatic privileges and immunities which were codified into international law in 1961. Motivate why you think diplomats deserve this type of 'special treatment', or not. (25)

**TOTAL - SECTIONS A AND B: [100]**
